

Conference Sponsorship Opportunities

The New Hampshire Library Trustees Association Spring Conference & Annual Meeting is the premier education event for library trustees in the state. More than 300 trustees and library directors from throughout New Hampshire have attended the program the past four years, and we expect to match or exceed that turnout in 2019.

Although the Premier and Keynote sponsorships have already been reserved by last year's sponsors, there remain great opportunities to support public libraries and, at the same time, showcase your company's products and services to library leaders in New Hampshire.
