

Education Committee – Annual Report 2021-2022

The committee made permanent its decision to hold its meetings virtually.

The greatest portion of the committees' time this year was devoted to planning the Annual Trustee Conference, held on May 10, 2022, at the Grappone Center in Concord.

The Trustee Manual underwent its five-year revision and was distributed to all New Hampshire libraries in the fall. In addition, it was uploaded to the NHLTA website in electronic format.

A Fall Roundtable was held on November 10 and was coordinated by Rosemary D'Arcy. The roundtable provided participants a forum to share and discuss issues, challenges, and opportunities that had come out of the COVID experience.

The committee has planned and will conduct two in-person workshops during the summer months. A Trustee Orientation will be held in June and a Financial Workshop in August. Both will be held at the New Hampshire Municipal Association building in Concord

Committee members: Marcia McLaughlin (chair), Debra Caplan, Rosemary D'Arcy, Lara Berry, Mark Branoff, Anne Chant, Kathy Parenti, Katrinka Pellicchia, Dee Santoso, Conrad Moses.
