

Governance Committee Annual Report May 26, 2022

Governance has had a busy year, amending policies and procedures to better fit our changing times.

In August of 2021, we revised the NHLTA board secretary's job description and the Education Committee Job description. In February of 2022, we amended the procedures for regional meetings, and the policy regarding emails, phone calls and other inquiries. Kathryn Parenti was interviewed in March and has since agreed to join the board.

Respectfully submitted,

Anne Chant

Governance Committee Chair
