

Governance Committee Annual Report 2022-23

Governance has had a busy year!

We successfully put together an action plan, later renamed our strategic plan for NHLTA. We reviewed NHLTA committee descriptions and revised policies and bylaws to be more current. The committee successfully interviewed five excellent candidates for NHLTA: Michelle Ebert for the education committee, Pat Pustell for the education committee, and Janet Hromjak for the education committee, Cathy Harvey for the board and education committee, and Carol Boynton for the communications and legislative committees. We set up and held a productive retreat in May, led by Tom Ladd.

Respectfully submitted,

Anne Chant

Governance Committee Chair
