Governance Committee annual report

2024 - 2025 was a busy year. I, Kathy Parenti, took over as chair from Marcia McLaughlin late in 2024. Several people were contacted to be on the board or a committee because they had expressed interest in participating. Two people declined due to prior commitments and we welcomed 4 new people to the board in early 2025, making the board more robust. Cliff Blake, Sue Whitbeck, Ann Xavier and Sue Nieman have been enthusiastic in their new positions.

Respectfully submitted, Kathryn Parenti
