

DOROTHY M. LITTLE AWARD

NHLTA established the **DOROTHY LITTLE AWARD** in 1988. The award was given to Dorothy posthumously after she passed away in 1987. She was past president of the NHLTA and chair of the board of trustees of the Lane Memorial Library in Hampton. She was remembered as Mrs. Library and was instrumental in the construction of the library in Hampton. Dorothy was interested in the long-range scope of libraries in New Hampshire and took to heart the cause of bettering state and local libraries.

The **DOROTHY M. LITTLE AWARD** is presented to anyone involved in library service in any capacity who has demonstrated sustained, extraordinary public library advocacy and activism on a local, regional and state level.
